

SPECIAL CAKE COMPETITION FOR THE NACC'S 30<sup>TH</sup> ANNIVERSARY YEAR!

# Calling all cake decorators!

To celebrate the NACC reaching its landmark 30th anniversary we are holding an outstanding celebration cake competition.

Whether you are a novice or have been creating masterpieces for years, don't miss your opportunity to enter this cake decorating competition. This is your time to shine, showcase your skills and wow the judges with your creativity.

## CRITERIA AS FOLLOWS:

A single tier celebration cake for a special occasion covered in sugar paste, royal icing or chocolate decoration of competitors' choice. Wires, stamens, thread, ribbon and floristry tape allowed but it must not penetrate the coating unless a suitable protective barrier is used, i.e. posy pick or safety seal. Dummies may not be used as the winning cakes will be served at the afternoon tea. Size of board that is used must not exceed 36cm x 36cm.

Decoration must be an original idea and all the competitors own work. Decorations will be judged on the number of skills used and level achieved. The more creative the better!

Initially we would like to see your ideas on paper, either recipe and photographs of completed design or recipe and design drawing that you plan to create for the competition. Both will be judged equally. Deadline for paper entries: Friday 4th August 2017. Once entries have been initially judged those shortlisted will be asked to create their design and bring it to the NACC Training and Development Forum on 5 October 2017, at the East Midlands Conference Centre, Nottingham, where the cakes will be judged and winners announced. ALL shortlisted finalists will get a FREE day delegate place at the forum! Worth £240!

## PRIZES:

The winners will be awarded Gold, Silver or Bronze and highly commended awards. The winning cakes will be served as part of the afternoon tea served during the event. Cash prizes to be won: Gold = £250, Silver = £150, Bronze = £75. Judges decision is final and no feedback will be given.

For information on how to enter, please call 0870 748 0180, email [info@thenacc.co.uk](mailto:info@thenacc.co.uk) or visit [www.thenacc.co.uk](http://www.thenacc.co.uk)
