NACC TDF NEWSLETTER

Your guide and countdown to the NACC Training & Development Forum 2020

August 2020

THE PRIME MINISTER SAID YES! - WE'LL BE LIVE ON THE 7-9 OCTOBER

THANK YOU TO OUR PREMIER PARTNERS

The NACC is here to support the industry, and we want this year's NACC Training & Development Forum to be the place where you can have those important conversations, listen to the experts, share ideas and successes with colleagues and meet the right partners to help you redefine what your care catering provision looks like in a post-covid world.

This is why we were delighted to hear prime minister Boris Johnson's announcement that business events, conferences and exhibitions have the all clear to run from 1 October. Of course we will be working with the venue to implement a whole host of precautions to ensure everyone's safety as per Government advice.

We believe that by October the industry will be ready to gather, collaborate and do business to ensure that 2021 is the year to bounce back.

To celebrate we have reopened and extended our early bird offer until 31 August!
