Nutritional Screening and Onward Nutrition

With a passion for partnership, working in holistic nutritional care for the nutritionally vulnerable, Elaine Lane is an experienced Dietitian with clinical experience within community and mental health settings. Having worked for the NHS from 1993 until 2015, she is now pursuing portfolio career as a self-employed Dietitian combined with part-time in the NHS. Volunteer role within the BDA Older People Specialist Group Committee since 2017. Specialising in the clinical area of under nutrition and training based delivery skills within a community setting, Elaine's strengths are nutritional projects, development and delivery of nutrition training - being highly effective in partnership working across a range of professions.

Karen Cunningham, Managing Director, generationJuice
Innovative Solutions to Care Home Hydration

Karen is one of the two founders of generationJuice, who each have over 20 years of experience in the commercial drinks dispenser business, previously working with Nestle, & Premier Foods amongst others. This experience & expertise, coupled with their understanding of the need for change in an outdated market, enabled them to design & develop a refreshing, inspiring and completely new range of award winning juice dispensers and drinks.

Recently awarded the Best Foodservice/Catering Product of 2018, their T300 dispenser is perfect for many sectors. Super-hygienic with a one-time-use disposable mixer, it is a step-change in the dispenser market, delivering consistent-mix, perfectly chilled drinks. The drinks can be cleverly multi-mixed at the point of dispense too, providing a huge range of deliciously different drinks from just 3 core products, all at the touch of a button.

The mission is to refresh, inspire and impress customers and consumers alike. Sophisticated lighter, low calorie, low sugar juice-drinks with vitamins, minerals and botanicals have recently joined their 100% fruit juice range, to ensure juice-based hydration is accessible all day, as well as just at breakfast.

Speaker Profiles

Amanda Woodvine, Chief Executive, V For Life

Balanced Nutrition for Vegetarians, Vegans and Meat Reducers

Amanda is a qualified nutritionist, who joined Vegetarian for Life’s board as a trustee in 2009. Her early career was spent working in Wills and Probate law, mostly advising an older client base. After spells working for Viva! Health and the National Institute for Health and Care Excellence – and voluntary roles, including citizen advocacy – she was able to combine multiple interests in her role as Chief Executive of Vegetarian for Life.

Maggie Lister, Roving Chef, V for Life

Cooking Demonstration

Maggie has worked and volunteered for a number of charities over the past 10 years: from large international organisations to small local food charities across the North West of England. She has extensive experience of cooking and creating vegetarian and vegan meals, gained from working in a variety of roles in the hospitality sector.

Haydon Henry, Area Sales Manager, Falcon Foodservice Equipment

An Introduction to Falcon Foodservice Equipment

Haydon has spent his entire career in the foodservice industry. For 20 years he worked as a chef in a number of hotels and restaurants across the north East of England, before moving into the public sector to take up the position of Catering and Hospitality Manager for the University of Sunderland’s flagship campus St Peters.

He joined Falcon 7 years ago as Area Sales Manager, where he is responsible for all sales activity in the North East region, as well as delivering training sessions on Falcon equipment to end users in all sector types.

He is an active committee member of the Yorkshire and Humber regional LACA association.
