

MAKE MEMORIES & HISTORY TOGETHER

WITH SIGNATURE DINING

THURSDAY 8TH MAY 2025 – A PARTY TO REMEMBER

On Thursday 8th May 2025, we will join the nation in marking the historic 80th anniversary of VE Day in celebration of the end of World War II in Europe and the restoration of peace after so much sacrifice.

To honor this remarkable day, Signature Dining will be hosting a classic British Afternoon Cream Team Party... and we are aiming to make history while we are at it!

At 3:00pm, across all our venues, we are inviting all our residents, patients, friends and colleagues to join us in a nationwide celebration of community spirit, nostalgia and classic British charm as we attempt to set a new Guinness World Record for the largest cream tea party held simultaneously at multiple locations.

We'd therefore be delighted for you to join us as we raise a teacup (and a scone!) in tribute to the past and celebration of the present - with some delicious food with our compliments. Our gift from us to you.
